7. This software will help **improve brand image** of a college.

8. **Years of research** brought to life in building various modules/features of this software is being made available at a **very low cost**.

Respected Sir/Madam,

With respect to the educational requirements of institutes, we at “ThinkQuotient Software Private Limited” have developed a simple and effective online education system named “MyExamo” for ease & benefit of teachers and students. This enables college to establish their own Online Education System. We are in this research and service activity since 2012 and are already serving 75,000+ students from various prestigious colleges in India.

Costing will be based on following terms and conditions:

1. For the **renewal** of MyExamo services, you will be required to pay as per the slabs below. This can be renewed every year based on mutual agreement.

No. of licenses(Students)	Per Student Cost
0 – 250 students	(Upto 250 studs) Rs. 100 per student
251 – 500 students	(> 250 & <=500) Rs. 80 per student
501 – 750 students	(> 500 & <=750) Rs. 70 per student
751 – 1000 students	(> 750 & <=1000) Rs. 60 per student
1000 + students	(1000 +) Rs. 50 per student

2. **Taxes** will be **extra as applicable** & the above given costs are non-negotiable as they are very minimal.
3. **E-Exam portal old database transfer to MyExamo services** cost is Rs 50,000/- with one month of minimum time to transfer data.

Note:

- 1) Proposal Validity is 30 days from the date of submission.
- 2) Your MyExamo URL will be activated, after **full advance payment** done for this current academic year from the institute.

Hope you will give us the opportunity to serve you and add a helping hand to empower your education system.

We look forward to your positive response.

Thanking You,
